**FAO: A level Geography students only**

**Re: Geography A level revision guide**

Dear Parents/Carers,

Students have been asking Geography staff if there is a good, reasonably priced revision book available for A level Geography. We have recently received a sample copy of a CGP AQA Geography Revision Guide that may well prove to be a very useful resource. The book includes a structure of the course, revision notes, case studies and exam-style practice questions and answers. The book covers all of the examined units, covering all of the topics from both Year 12 and 13.

Revision guide ISBN 978-1-7829-4648-9

The school is able to source the book directly from the publisher for £9.00 in total, over 50% reduction of the retail price of £19.99. We would like all of our students to be able to use the book to aid preparation for their exams.

If you wish to purchase a revision guide the order must be placed before **Wednesday 11<sup>th</sup> October 2017**. Orders must be accompanied with the correct payment. Where possible please make payment using the school's Wisepay system.

Yours sincerely

Mr C Major – Subject leader Geography
