

26 April 2018

Dear Parents and Carers,

A recent letter from the Local Authority on 19 April 2018 drew attention to the challenges faced by schools when holidays are booked during term time. There is, I think, a collective concern about the price-hike that we all experience when trying to book family holidays during the 13 weeks of the school holidays available to us. However, given the demands of the school curriculum, schools must discourage holidays during term time.

For this reason, in line with other schools, St Edward's School will support the Local Authority policy of issuing fines when holidays are taken during term time.

Yours sincerely

Mr M Antram  
Headteacher
