St Edward's Careers Fair

Dear Parents and Guardians,

As part of our Careers and Guidance programme we are delighted to announce that we will be hosting a St Edwards Careers Fair on the 22nd March. During this event your son/daughter will be encouraged to think about what career options are available through an opportunity to speak to a wide array of post-16 course providers and employers from the local area.

The event will be open to the whole school over the course, so regardless of the stage of education your son or daughter is at they will have an opportunity to attend the event. We feel it is important that your son/daughter engages with their career aspirations as early as possible to help start their path on their chosen career and maximise their outcomes. Students will find out their time slot next week via their tutor.

We will be keeping the careers fair open until 4:15pm on the day and we would like to extend an invitation to parents and guardians to attend the event from 3:40pm onwards if you wish to engage with the wide range of employers and providers that we have attending the event. If you are planning to attend the event on the day please feel free to just come straight through to the sports hall where it will be located.

To maximise the impact of the day, we would encourage you to have a conversation with your child both before and after the event to embolden them to start the process of thinking about life after GCSEs, enabling us both to work together in tailoring effective careers information and guidance to meet the needs of your child's aspirations.

Yours faithfully

D Hurley
