

6th December 2018

Dear Parents and Carers,

I am writing further to my letter of 12th July 2018 regarding summer uniform. Having reviewed the existing uniform policy, the Governing Body have approved an adjustment to standard uniform for the summer term, which will extend into the first half of the Autumn Term. This adjustment is optional, may only be worn during this time period, and will be strictly enforced, to prevent the erosion of the high standards of presentation that we expect from all of our students.

If you have any queries about this, please contact your child's year leader in the first instance.

I hope that this adjustment to the established policy will enable our students to be more comfortable during warmer periods ahead.

With all good wishes for the New Year,

Mr M Antram
