AN INVITATION...

# DONATE AN EASTER EGG

---

...and we'll give it to someone less fortunate in our local community. A small act of kindness from our community for our community

We have chosen to support '**Hope for Food**', an amazing local charity supporting local families and the homeless in our community. We would love to be able to help them donate 1500 Easter Eggs to the community.

If you wish to support this fantastic initiative, please bring your Easter Egg into reception or it can be brought to the Student Office.

Please bring in your donations by the end of term for us to donate to '**Hope for Food**' for their Easter hampers over the Easter break. Thank you so much for your support.
