

Sunday 18th March 2018

Do you want to encourage your students to feel unstoppable this year?

Community is at the centre of everything we do here at **Fire Radio**, so this spring we have teamed up with **NCS** (National Citizen Service) to shout about their summer '18 programme. It's an amazing opportunity for your students to boost their CVs, develop life skills and take their next steps with confidence.

NCS's summer programme embodies team work, adventure & opportunity - and to highlight these attributes, we're giving away a fun day out up to the value of £200 to one lucky winner & their friends. To enter, your students just need to upload a picture of themselves & their friends getting excited about summer to Instagram, using the hashtags **#UnstoppableSquad** and **#FireHitRadio**. Tune in from the 19th March or visit <https://www.fireradio.co.uk/> for more information on how to win.

Get involved by circulating this email and letting students & parents know how NCS can shape their summer, as well as their chance to win a fun group activity up to the value of £200 in your local area - like rock climbing or indoor lazer tag.

Help your students feel unstoppable and give them the summer of a lifetime.

[Note: if you link through to NCS from this email, please use this trackable link:
