**Re: Geography GCSE revision guide, workbook and answers**

Dear Parents/Carers,

CGP publications produce a revision guide, separate workbook and answer book exclusively designed to complement our GCSE Geography specification (AQA GCSE Geography Linear first examined 2018). The books cover all of the examined units, covering all of the topics from both Year 10 and 11.

Revision guide	ISBN 978-1-7829-4610-6
Revision workbook	ISBN 978-1-7829-4611-3
Answer book	ISBN 978-1-7829-4612-0

I have been able to source all of the books directly from the publishers for £7.00 in total, the revision guide alone retails for £5.95. I would like all of our students to be able to use the books to aid preparation for their exams. As your son/daughter is entitled to the Pupil Premium, the school intends to provide them with these resources with no charge.

Yours sincerely

Mr C Major – Subject leader Geography
