FAO: GCSE Geography students only

Re: Geography GCSE revision guide, workbook and answers

Dear Parents/Carers,

Many students have been asking Geography staff if there is a good, reasonably priced revision book available for GCSE Geography. We have recently received a sample copy of a CGP AQA Geography Revision Guide that may well prove to be a very useful resource. These books include a structure of the course, revision notes, case studies and exam-style practice questions. The books cover all of the examined units, covering all of the topics from both Year 10 and 11.

Revision guide	ISBN 978-1-7829-4610-6
Revision workbook	ISBN 978-1-7829-4611-3
Answer book	ISBN 978-1-7829-4612-0

The school is able to source all books directly from the publishers for £7.00 in total, the revision guide alone retails for £5.95. We would like all of our students to be able to use the books to aid preparation for their exams.

If you wish to purchase a revision guide, workbook and answer book all orders must be placed before **Wednesday 11th October 2017**. Orders must be accompanied with the correct payment. Where possible please make payment using the school's Wisepay system.

Yours sincerely

Mr C Major – Subject leader Geography
