ART TRIP TO LONDON

On Thursday 22nd September students from Year 11, 12 and 13 Art and Photography courses visited the London Art galleries. The Year 11 GCSE art students saw the Georgia O'Keeffe exhibition which brought together many painting and drawings often only seen in America of this major 20th Century Artist. We will be using the visit to enrich our GCSE coursework this term. A level Photography students visited a special exhibition at the Tate Britain called 'Painting with Light' which gave them a good insight into the history of Photography and how painting has influenced photographers. A level Art students used the main collection of Art at the Tate Modern to carry out research for their Specialist Projects. It was a really good day and our coach driver complimented the students on their excellent behaviour.

Cathy Morris & Mel Biggs—Art Subject Leaders

GERMAN EXCHANGE

As I write we wait with keen anticipation for the arrival of 25 students and 2 teachers from the Gymnasium am Kaiserdom, our partner school in Speyer, Rheinland-Pfalz, for the first leg of this year's exchange. The group will be arriving on Friday and spending a week staying with St Edward's families, attending our school, and enjoying a variety of trips to see our local area, plus Bath and Salisbury. Many thanks in advance to the families who are taking part this year - see you on Friday!

Matthew Lenarduzzi—Subject Leader MFL

SAINSBURYS VOUCHERS

Our Sainsburys order for kitchen equipment has arrived – thank you so much to all students, parents/carers, school staff and anyone that gave us vouchers! We were able to buy new ovenware, oven gloves, knives for our new KS4 GCSE Food and Nutrition course and smaller items such as pastry brushes etc. It really does make a difference. Our kitchen equipment is used frequently throughout the year and these little 'extras' are needed. Collection time will be coming up again so keep handing them in.

Monday 24 October to Friday 28 October—Half Term

Tuesday 1 November—7pm—9pm—
Sixth Form Open Evening

Thursday 10 November—Y7 / 10 & 11
Form Tutor evening

Please could we remind you to be courteous and abide by traffic laws when dropping and picking up students at the beginning and end of the school day. We have received several complaints from our neighbours in the surrounding roads, complaining of parents/carers parking where they should not be and using residents' private drives to turn their cars around in. We would appreciate your co-operation with this matter. Many thanks.

MEET & GREETs

I would like to invite you to come along and meet the Senior Leadership Team and myself between 6.00pm and 7.00pm. This will be an informal evening to give you the opportunity to meet us. Refreshments will be provided.

The team look forward to meeting with you.

Kind regards,

Mr Michael Antram

Headteacher
