4 May 2017

Dear Parents and Carers,

As you are aware, we had a visit from Ofsted yesterday, and I wanted to communicate with you at the earliest opportunity. Ofsted regulations forbid me from commenting on the outcome of the inspection, and they will be writing to you once the final report is approved, which could be several weeks from now.

For myself, I would like to say that your children were, as ever, a credit to you. As I accompanied Inspectors it was a pleasure to see them hard at work, engaged in learning and also to see them showing such care and courtesy around the campus. This has been my experience since joining the school in September, and St Edward's remains a happy, caring centre of learning, with the potential to be outstanding.

I would like to thank our staff, who give so much that is above and beyond, and hold such high standards in the demanding environment of secondary school life.

My thanks also go to you, who give us such support and encouragement as we work together to raise children, and prepare them for life ahead.

I will be writing in more detail once Ofsted have given me clearance to do so.

With all good wishes.

Mr M Antram
Headteacher
