Dear Parents and Carers

Re: Possible School Bus

Following my recent letters about the possibility of a school bus funded by parental contributions, we have received sufficient interest to explore further. We have set up a meeting for those who expressed an interest and are widening the invitation to any other parents and carers who would be interested.

In response to the enquiries we received at the end of March, the current suggested route would encompass: Parkstone, Lilliput, Alderney and Boscombe but this is still a work in progress at this time.

The purpose of the meeting is to share information and consider if there is enough interest to move this forward. The meeting will be held at St Edward's School at 7pm on Wednesday 16th May. Mr Antram (Head Teacher), Mr Hurley and I will be there together with Mr Coomber from Freedom Coaches. If you are interested but cannot make this time, please also let us know by sending an email to enquires@st-edwards.poole.sch.uk or calling our reception on 01202 740950 so we can get a feel of numbers.

Yours Sincerely

Mrs M Lane
School Business Manager
St Edwards School
