

**HELP US SUPPORT THE WOMEN'S REFUGEE CENTRE AND KITCHEN IN  
NORTHERN FRANCE**

As part of our Lent reflections we have Elly Harvey presenting assemblies this week asking for our support for displaced families that are daily arriving in Northern France. She will be sharing her experience of visiting them and explaining how she is coordinating schools and churches in Poole to provide much needed equipment for her next trip at the end of the month.

As a church school we would love all our students to join in and help provide cooking pots of a variety of sizes, the larger the better but they must be **new and unused**. There are saucepans available in local supermarkets that start from £3 and perhaps students could group together to buy what they can afford. If buying one in the time available proves too difficult please send in cash donations so that we can buy them to send with the group. All donations, saucepans or cash, will be gratefully received.

We have a limited time to work with as the group needs to pack everything so PLEASE send in what you are able to by **Wednesday 22<sup>nd</sup> March**. Cash donations can be sent to the finance office in a sealed envelope with **REFUGEE SAUCEPAN APPEAL** on it. Saucepans can be taken, during tutor time, to me in PS1.

I am coordinating this with Elly so please feel free to contact me with any questions.
