

Dear Parents and Carers,

As part of the Key Stage 3 PSHEE programme, we have the Safe Schools and Communities Team (SSCT) coming in to deliver an informative session on E-safety to students on Thursday 2nd March. The SSCT is a team formed by Dorset Police who are dedicated to reducing anti-social behaviour, crime and wrong-doing amongst children and helping to keep young people safe in a digital world.

The presentation will last 1 hour and will be age appropriate for each year group; looking at how to use technology respectfully, responsibly and securely as well as showing young people how to protect their online identity and privacy. More information can be found on the Dorset Police website, under SSCT.

If you would **not** like your child to participate in the SSCT session, please fill out the form below and return to me.

Yours sincerely,

Kerrie Hodder
