

Please Donate Second-Hand Uniform and Revision Materials

Following demand from new parents and carers, St Edward's School Association is seeking donations of second hand blazers, shirts, blouses, skirts, trousers, ties & PE Kit as well as previously used revision books.

Donations of St Edward's school uniform, which should be washed & in good condition, can be handed into the Student Office or Reception at any time. All contributions given will be gratefully received.

Pre-worn uniform and revision guides will either be sold by the School Association at meetings and events they support, or used to help students who cannot afford to replace damaged or outgrown uniform. All monies raised from any sale will be put back into the school.

Thank you for helping
