Dear Parents and Carers

Possible School Bus

As you will be aware the school has been exploring the possibility of a school bus funded by parental contributions. Unfortunately, whilst there has been quite a lot of initial interest, we have not had sufficient take up to make the route sustainable at this time.

We are liaising with St Mary's to see if they have any students interested in using this service as our current joint service to Hamworthy is very successful. However, we will not be able to start a service in September as we were unable to get the necessary 30 students to make the route viable at this time.

However, I would like to stress that if numbers of students wishing to take up this service increases, Freedom Coaches have advised they would be very happy to put on a school bus. The school will therefore continue to monitor and if there is more interest, we will reconsider viability at half term, as we can hold the money granted by CIL until then.

The proposed timetable for the new route is as follows:

Morning	Time	Afternoon	Time
Civic Centre Poole	07.15	St.Edwards School	15.30
Sandbanks Road	07.17	Ringwood Road	15.40

Emails should be sent to [enquiries@st-edwards.poole.sch.uk](mailto:enquiries@st-edwards.poole.sch.uk) and include the following:

Name of student:

I am seriously interested at a daily cost of £4:50                      yes / no

I would still be seriously interested if this rose to £5:00                      yes / no

Payment would normally be termly in advance but for the trial, we will accept monthly payments.
