Dear Parents and Carers,

We would like to offer the opportunity for your child to learn basic first aid and gain certificates covering those areas from a St. Johns Ambulance trainer. One of our Year 12 students is qualified to deliver this training and has agreed to put together a course for a small group of 15 students starting after half term. I will also be present for all the sessions.

There is no cost for the course but students will be committing themselves to three Tuesday sessions from 3.30 to 4.30: 31 October, 7 & 14 November. In the third and final session there will be a test which will need to be passed in order to obtain the certificate.

If your child wishes to attend this course please complete and return the slip below to me via the pastoral office. We may be able to run this course again if enough people are interested. Initially it will be on a first come first served basis.

Yours faithfully

Laura Berry
PSHEE Coordinator
