

22 March 2018

Dear Parents and Carers,

I am writing with an update as we rapidly approach the GCSE exam season. We are really pleased with how the year group are responding to the support in the run to the exams and are now lining themselves up for the final push over the next few weeks. We are seeing a good number of the Year group attend additional revision sessions and this will help as they prepare and revise for each exam.

As we enter the final weeks in the lead up to exams, we are looking to continue our drive on student engagement and commitment to learning in lessons. We want to ensure that every student has the opportunity to maximise every lesson and not be distracted by others in the class. For this reason any student in Year 11 who makes a decision to disrupt the learning of others, who does not follow staff instructions or doesn't met the expectations of the school, will not be permitted to attend the Year 11 prom on Tuesday 26 June 2018.

Any students who becomes at risk of losing their place at prom will be placed on a report to monitor their behaviour within school, both inside their lessons and around the school site. By being placed on this report, students will have the opportunity to make informed choices about their engagement and behaviour.

I am not anticipating that this will affect many students as all are aware of what is expected and the majority make the right decisions every day.

If you have any questions regarding the above information please do not hesitate to get in touch.

Kind regards,

Kerrie Hodder
Head of Year 11
