

GCSE French and German
Grammar, Vocabulary and Translation workbooks

27th November 2017

Dear Parents and Carers,

In this busy year of GCSE preparation I write to inform you of the opportunity to purchase GCSE Grammar, Vocabulary and Translation workbooks that have recently become available to support students in their preparation for their French and German exams.

As presented at the recent GCSE Evening all students in languages have online access to Kerboodle, which is a hugely valuable tool that offers so much more than a simple revision guide. These workbooks provide further explanation and practise of key vocabulary, grammar and translation skills.

The guides are available to support either Foundation or Higher tier and can be purchased through the school at a price of **£3.63 each**. You can of course purchase the guides for both tiers for a total price of £7.26. If the school is in receipt of Pupil Premium funding for your child then the relevant guide(s) will be provided free of charge by the school.

We have copies of all workbooks in the department now for students to view in advance of purchase.

If you would like to purchase a workbook please indicate your choice of language and tier on the slip below and return it to the **Finance Office at school by Friday 15th December**. Workbooks can then be ordered so that they are in school in January. Payment should be made through Wisepay, although cheques will also be accepted.

Please don't hesitate to contact me if you have any questions about the workbooks.

Yours faithfully,

Mr M Lenarduzzi
Subject Leader for Modern Foreign Languages
